

PACE OF PLAY

The goal of the Almaden Golf & Country Club is to provide an exceptional golfing experience for all players. Part of this enhanced experience is having a pace of play policy that is consistent with the USGA and their recommendations. Although this policy is focused on position rather than pace, it is recommended that groups adhere to a 4-hour round for 18 holes. The policy is as follows:

- a. A group with more than one hole open in front of them must invite the group behind to play through. If the group behind is not being asked through they should call the Golf Shop and a staff member will come out to resolve the situation.

YARDAGES ON SPRINKLER HEADS

The yardages on sprinkler heads are measured to the front, middle and back of greens.
